# 3. Soft Deco by Tribu House

Soft Deco transforms your event space into a magical, welcoming and charming place. Each of our proposals is designed to create a unique atmosphere where the small details make all the difference.

**Single price: 200 € · Includes setup and takedown**

## Calm Forest

A decoration inspired by the serenity of nature, with woodland tones and organic elements that create a calm and relaxing atmosphere.

## Spring Margaritas

A fresh and floral design that captures the joy of spring. Ideal for those looking for a bright, light and vibrant atmosphere.

## Soft Rainbow

A sweet and dreamy proposal with a pastel colour palette. A playful and delicate setting perfect for a celebration full of tenderness.

# 4. Monitors & Accompaniment

When the little ones are well accompanied, families can truly relax and enjoy. Our team of monitors is trained in free play, respect and emotional support. It's not just about supervising: it's about creating a safe space where every child can be, play and interact at their own pace.

## Tribu House Monitors In-house team

Play monitors and child accompaniment, aligned with the Tribu House philosophy: respect, free play, emotional safety and careful attention. Recommended when there are many children, varied ages, or families wish to relax and delegate the care and management of the group.

### Respectful accompaniment

Monitors trained in conscious parenting and emotional support, who respect each child's own rhythm.

### Free and guided play

We facilitate play spaces where children can explore, create and interact naturally.

### Safety and trust

We create a safe environment where families can switch off knowing their little ones are well cared for.

### Tribu House Support Monitor

Accompaniment in the play space, support in activities, general group care and management of emerging needs.

**100 € / 2h service or 150 € / 2h service**

"Tribu House monitors don't just look after the children: they understand them, respect their emotions and create an environment where they can be themselves. It's exactly what we were looking for for our daughter's birthday."

— Tribu House Family

# 5. Animation, Music, Face Painting & Magic

The moments of spectacle, magic and music are the ones children will remember forever. We work with artists and professionals who understand childhood, who know how to connect with every age and who create experiences full of wonder, laughter and participation. From animation shows to live concerts, each proposal brings something unique to your celebration.

## Magic Art

### Children's Entertainment

Animation shows, guided games, characters and dynamic activities adapted to each age. Perfect when you want a 'show' moment during the party, with all the children engaged and actively participating.

#### Magic Art Children's Entertainment

Dynamics, guided games and a show adapted to the children's age

**From 202.13 € / 1h service**

---

# Rock and Lolo

## Live Children's Music

Concerts, mini musical shows and animation with songs for children and families. Ideal for parties where music plays a central role and you want something different from a speaker with a playlist. The children sing, dance and experience live music.

### Rock and Lolo Concert / Show

Live music session to sing, dance and enjoy as a family. Repertoire adapted to the age and energy of the audience.

**From 274.31 € / 1h service**

---

# Niu de Llum

## Face Painting & Fantasy

Children's face painting with designs adapted to the age and skin sensitivity. It adds an extra touch of magic: children transform into animals, superheroes, fairies, princesses or whatever their imagination desires. It's pure magic for them.

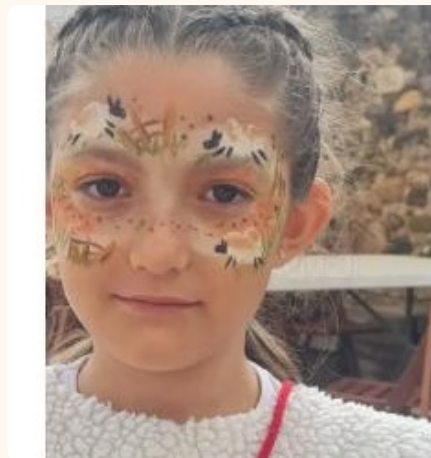

### Niu de Llum Face Painting Service

Professional children's face painting with hypoallergenic products and personalised designs according to each child's preferences.

**165.50 € / 2-hour service**

Capacity for approximately 20 children

# 6. Quick Guide for Families

We know that choosing can be overwhelming when there are so many beautiful options. That's why we've prepared this quick guide with combinations that work especially well depending on the type of celebration you have in mind. These are just suggestions: you can mix and match as you prefer.

1

## Want something simple but delicious?

For a fuss-free celebration, with food everyone loves and quality entertainment:

- **Miguis** — Sandwiches and snacks / **Tribu House Monitors** — Supervision in the play area
- Perfect for: Families who value simplicity and want the little ones well looked after while the adults chat in peace.

2

## Want a very carefully planned, healthy and aesthetic party?

For families who care about nutrition and seek consistency between their values and the celebration:

- **Mi Primer Pastel** — Pastries with no added sugars / **Baby Real Snacks** — Healthy snack / **Cuenta un Cuento Party** — Decoration with storytelling

3

## Want a big party with a show?

For a celebration with all the elements, where every moment is special:

- **El Cacho** — Generous and tasty catering / **Magic Art or Rock and Lolo** — Animation or live music / **Niu de Llum** — Face painting

4

## Just want beautiful decoration and bring your own food?

For families who prefer to manage the food themselves but want the space to look special:

- **Fiesta Box** — Coordinated decoration pack / **Tribu House Monitors** — Supervision for the little ones

Perfect for: Those who enjoy organising their own party but appreciate having beautiful materials and support with the children.

# 7. Why choose Tribu House to celebrate your event

Organising a children's party can be exciting and, at the same time, exhausting. There are a thousand decisions to make, suppliers to coordinate, details not to forget... And in the middle of all that, what you really want is to enjoy the moment with your little ones and your people.

At Tribu House, we deeply understand this. That's why we're not just a space: we're your trusted team to make everything flow smoothly. From the first conversation to the last balloon collected, we're by your side.

## Integral Coordination

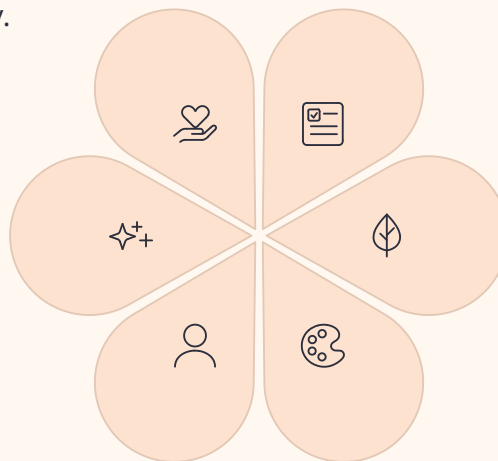

We talk to suppliers, coordinate schedules, supervise setups. You just enjoy.

## Attention to Detail

We take care of every moment so that everything turns out as you imagined (or better).

## Space designed for families

A safe, welcoming environment designed specifically for children aged 0 to 5.

## 100% Reliable Suppliers

Every collaborator has been chosen for their quality, professionalism and values aligned with ours.

## Respectful Parenting Philosophy

Everything that happens at Tribu House respects the rhythms and needs of childhood.

## Real Personalisation

No two parties are the same. We listen to what you need and design to measure.
